All That Dance Recreational Poms Team

Do you love the high energy dance style of poms? Do you enjoy working with a spirited group of dancers to learn a super powerful three-minute dance routine? Would you like to experience the thrill of competition through the Illinois Recreational Cheer and Dance Association and possibly earn an Illinois State Championship title? All That Dance Studio is starting a Recreational Competitive Poms Team for the fall 2019 season. You can be part of it!

Who: All Pom Dancers entering 6th -8th grade for the fall 2019-2020 school year. This is a recreational team. All dancers are welcome to join and participate.

What: Join our ***All That Dance Recreational Poms Team*** to be coached by recreational coach Jennifer Gallien accompanied by amazing high school junior coaches. Coach Jennifer Gallien has led three separate poms teams to **THREE** 1st Place titles in the State of Illinois competition in 2015, 2016 & 2017.

Where: All choreography learning sessions will be held in the studio at ***All That Dance***.

When: Practices will be held once a week for 1 ½ hours from July-September and then shift to every other week for 1 ½ hours October-November. We will participate in three local pom competitions that will give us the opportunity to earn a bid to the ultimate ***Illinois State Dance Competition*** www.recreationalcheer.com held December 7th & 8th at the Sears Centre in Hoffman Estates.

Why: We love the fact that we can learn a competition pom routine, perform and compete at three AWESOME high school competitions and possibly earn a bid to compete at the Illinois State Competition. We love that school year practices will be held every other week on Saturday afternoons so we can allow the kids to have plenty of time for other spots and activities. We love choosing a costume and poms to pump up our spirit and help us ***RISE TO THE TOP AS A TEAM***.

For more detailed information, and costs involved, please contact Jennifer Gallien at jennifergallien333@gmail.com or (847) 209-7573.

Coach Jenn has some super great ideas for fundraising that will bring the costs down significantly. We are not proposing selling anything (yuck!!) more like a pizza night at a restaurant, car wash etc. Our girls and families are so awesome...we could potentially fundraise the whole program!!

Fundraiser Ideas:

Sticks Pub & Grub (*Hannah's Mom's Restaurant*) Fox River Grove: Restaurant/Bar Night

Car Wash

Culvers: Crystal Lake: Manager Tom: 15% Monday-Thursday 5pm until 8pm

Any more great ideas friends? We can fundraise this summer!!
